TASMANIAN STATE TRACK AND FIELD CHAMPIONSHIPS
TECHNICAL REGULATIONS - [Updated 210218]
[as adapted for this competition from the AT General Regulations]

1. Championships will be conducted according to the rules of the IAAF, Athletics Australia and Athletics Tasmania.

2. Athletics Tasmania shall appoint a Technical Delegate and/or Competition Director for each State Championships who will assume overall responsibility for the meet. This person will have sole and final responsibility for the implementation of these Regulations and any decisions relating thereto concerning the running of the competition.

3. UNIFORMS: All Tasmanian athletes must wear their club colours during competition. Non Tasmanian athletes will be permitted to compete in their club or state colours. Dual registered TLAA athletes should wear their AT club uniform. Athletes registered only with TLA should wear their TLA club/centre uniform. Athletes without a club uniform should compete in an essentially white competition top with plain coloured shorts or briefs.

4. COMPETITION NUMBERS: Athletes must wear both their current season registration numbers (except in HJ and PV where only one number may be worn). Athletes registered interstate or only with TLA or TMA will be issued with an AT competition number for the duration of the Championships. These must be worn on the front and back of the competition top. If pinned with not less than four (4) pins, so the entire number and sponsorship information can be easily read. No part of the number shall be folded under the uniform or in any other way. Athletes who do not have their competition numbers with them, will be required to hire a temporary set at a cost of $5.

ATHLETICS TASMANIA WILL ENFORCE IAAF RULE 143.8, WHICH RENDERS AN ATHLETE LIABLE TO DISQUALIFICATION IF S/HE TAMPER WITH THE COMPETITION NUMBER.

5. ENTRY PASSES: Competing athletes will not be charged through the gate. The names of all competing athletes will be provided to gate staff if a gate is in operation. Competing athletes should check at the gate upon arrival to ensure that they are not charged to come through the gate.

6. ADDITIONAL HEATS/ELIMINATION ROUNDS: If additional heats or elimination rounds are required (other than those already scheduled), all entrants for that event will be notified via the AT website (if known before the championships) or via the PA system (if arising during the Championships).

7. CONFIRMATION OF ENTRIES: It is the responsibility of each athlete to confirm for each event in which they intend to compete no later than thirty (30) minutes before the scheduled starting time of the first round of the event as listed in the final timetable on the AT website. After close of confirmation for each event, heat allocations and lane draws will be conducted for those events requiring them. Draws for all events will be advised as soon as they become available. Where heats were provided for in the FINAL timetable and subsequently they are not required after confirmation, then in such cases the final will be held at the time scheduled for the heats – except in the open age group, where finals will always be held at the time scheduled for the final.

The following regulations apply to late confirmations:

7.1 Athletes who are in line at the time confirmation closes for their event, will be able to confirm. Prior to closing off the event the judge in charge shall announce in the confirmation area only that the confirmation for the particular event is closing and calling on an athletes who have not yet confirmed to come forward.

7.2 Athletes seeking to confirm at any later time, will be permitted to do so upon the payment of a late confirmation fee of $2.00. Such athletes will be placed in the case of track events in any available lane. There will be no re draws. In the case of field events, athletes will compete in their original position if the event has been drawn in advance.

7.3 Where a round was cancelled by virtue of there being insufficient confirmations to warrant it, only athletes confirmed at that time may compete in the next round (which will usually be the final). No late confirmations will be accepted in such circumstances.

7.4 Where an event was cancelled by virtue of there having been NO confirmations at confirmation time, late confirmations (upon the payment of the fee) will only be accepted where it remains practicable to restore the event to the programme.

8. SCRATCHINGS: If an athlete fails to scratch from an event after confirmation or does not compete in all rounds of an event for which s/he has qualified, s/he will not be permitted to compete in any other event in the championships, including relays (IAAF Rule 142.4). Please note new wording in IAAF Rules regarding medical certificates enabling athletes to compete on subsequent days.

9. PROGRESSION TO FINALS (TRACK): Rules for progression and qualifying rounds are as follows. These are the numbers of athletes who confirm and over-ride the IAAF Rules, and remain subject to changes directed by the Technical Delegate/Competition Director or Athletics Tasmania.

25. **MULTIPLE ENTRIES**: Provided they are age eligible, athletes may enter in the same or a similar individual event in no more than two age groups from under 14 to under 20 inclusive PLUS the Open Championships. Should an athlete enter more than one age group in respect of under-age events held on 24-25 February, one must be the age group that relates specifically to their year of birth. An athlete may not enter two age groups of the same event when according to the published draft timetable they are scheduled to be held simultaneously.

The only exception will be the U15 and U16 age groups since athletes are not permitted to enter both of these age groups. If entering in either of these age groups, the athlete must enter that which applies specifically to their year of birth. If they wish to enter a second age group (subject to regulation 26) it would be U18, U20 or open in both cases.

To be clear an U14 athlete may enter (subject to regulation 26) an event in their own age group (U14) and in U15.
